IMPROVED LAGRANGE WEB SITE TO DEBUT TUESDAY

LAGRANGE NY, JULY, 2 2009: On July 7 2009, the Town of LaGrange will launch a new and much improved web site. "The improved web site will aid residents in preparing to conduct business with the town's various departments. The intention is to provide enough information, instructions and forms for a resident to prepare in advance of coming to Town Hall for permits, variances or grievances" said Town Supervisor Jon Wagner. "Everyone already has a hectic enough schedule at home. The redesigned web site will make it easier to conduct business with the town. Residents will be able to get the instructions and the forms needed to apply for building permits, zoning variances, recreation programs and similar operations regulated by the town." Wagner added.

The current web site will be off line several times while the appropriate files are moved on the server. Residents may see an

interruption in the web site over the holiday weekend. The new web site will be operational by Tuesday July 7 2009.

The Towns Information Technology Consultants (Business Technology Consulting) has been working on the improved site at the Town Supervisor's direction since recent security issues were identified.

Please contact Supervisor Wagner at (845)452-9062 with any questions or comments.
